

AHS Drama Boosters

Who are the AHS Drama Boosters?

The families, friends and teachers of the students who participate in the Atholton High School theatre program: cast, crew, and orchestra.

Join the group that makes a difference for the Atholton High Theatre program!

The Drama Boosters have brought their friends and family to see great shows; purchased lighting and sound equipment; rehabbed and reorganized costume storage; bought storage containers for scenery and props; sold tickets; fed cast, crew, and orchestra; subsidized tickets for the Cappies Gala; refreshed audiences; sold ads in the playbills; fed the visiting Cappie critics; stretched the horizons of what is possible.

Your involvement makes the difference!
