

Atholton HS PTSA Officers

APRIL 21, 2009

7:00 Guidance / Career Center

Evaluate Spring Budget Requests- 5 requests received:

- POMS \$125
- FBLA \$380 (registration fees for 4 students to national conference)
- GT Research Program \$100 (Mentor Dessert)
- Best Buddies, \$100 (training)
- Book Buddies \$100 (T-shirts)

After shuffling funds within Student Assistance Category, funding was found to pay for all the submitted requests, pending full board approval. Officers recommend full funding.

Review budget for remainder of year, Green Day funding request of \$2600. Officers do not support buying 100 Tshirts. Officers found budget available to support \$1,500 for tastings / food. The following motion will be presented at the next PTSA General Meeting (on 4/28): "We move to add a line item to the School Assistance Category , under the Environmental Awareness PTSA Committee, which will allocate \$1500 for the Green Day Program"

Evaluate PTSA annual programming- Staff Appreciation may not be getting message to all teachers that they are appreciated; Orientation was very successful and helpful; SAT course funds (SAT prep materials for guidance should go through normal funding request process); After Prom budget is very large; pass Procedure Books to your successor.

Review Roles and Responsibilities of Officers- use more and different people to represent the PTSA at our various school events. Make your presence (and the PTSA's) known. Each officer should take on a committee or area of interest to participate in. Susan distributed a list of president's activities.

Other business: plan 4/28 meeting:

- Start at 6:00 PM with Board meeting in Career Center
- 7:30 start General Membership meeting in Media, hold elections, pass budget motion
- 7:45 "Surviving the College Application Process" panel of parents

Next meetings: 4/28 Board at 6, General at 7:30

May 19 PTSA Exec. Board

June 16 PTSA Exec Board, potluck dinner, end of year celebration
