

Tips For Parents To Discuss Safe Driving With Your Teen

Q: How do you get the safety message across to your teen who recently received their driver's license and knows everything at the tender age of 16?

A: This will help! Pick up a free copy of “The Road Ahead” from Liberty Mutual. This kit, developed by Liberty Mutual in cooperation with Students Against Destructive Decisions (SADD), includes a guide with tips for parents to foster a discussion with their teen about staying safe at the wheel. It also includes a powerful video of teens discussing their driving attitudes and behaviors before and after viewing the HBO Family documentary, “Smashed: Toxic Tales of Teens and Alcohol”. Liberty Mutual offers free copies of “The Road Ahead” materials which include a video and tips for parents to discuss safe teen driving. **To receive these free materials, call Liberty Mutual at 410-872-1291.**
